

Community Based Learning

This full day training equips educators and leaders to a designated implemented Community-Based Learning (CBL) experience grounded in the California Community Schools Partnership Program (CCSPP) Framework. Participants will learn to leverage local assets, build partnerships, connect academics to real-world contexts, leaving with practical strategies to deepen engagement, strengthen belonging, and support community priorities.

Audience

Administrators, Community School Coordinators, Instructional Coaches, TOA, Teachers (Grantees & Non-Grantees)

April 22, 2026

8:00 a.m. - 3:00 p.m.
